BEST BRAND 2019

Categorie: Luggage systems

At the beginning of every year Europe's biggest motorcycle magazine Motorrad is looking for the "Best Brands" in various categories. We're glad that the readers voted us the "Best Brand" in the category luggage systems the third time in a row.

„Thanks to the nearly 52.000 readers who voted for us. This keeps us motivated to improve our products and bring new things in the future.

We will do our best everyday to honor this award.

Wish you a nice and safe motorcycle season.“
