

AVAILABLE NOW!

Available as universal version for lashing and as Lock-it version. The belt version is suitable for carrying on the pillion seat, while the Lock-it version fits perfectly on the Hepco&Becker Sportrack. The Sport version comes with an all-round zip to increase volume and a mesh pocket on the inside of the lid. The integrated polyester inner bag ensures waterproofness during rainy rides.

FEATURES:

- Suitable for Sportrack (Lock-it version) or on the pillion seat (strap version)
- All-round zipper for volume expansion
- Integrated waterproof inner bag
- Capacity: 11-15 L
- Inside lid with mesh pocket
- Outer dimensions: 35 x 20 x 30 cm (W x H x D)
